PROGRAM DESCRIPTION

Renovaré Canada's Spiritual Mentoring Program is an 8-month journey structured to help you live your life to the fullest with God! The program involves:

- 16 sessions with a spiritual mentor
 - These will be online via Zoom Chat twice a month to discuss the material being worked through.
- Selected resources to help you develop your spiritual life
 - We will be looking at the different streams of Christianity and sacred pathways, identifying which stream or pathway best suits you and other streams or pathways which could perhaps be a help to you. The spiritual disciplines will also be studied in a devotional format and incorporated into a rule of life.
- An Enneagram Assessment
 - The Enneagram is a personality assessment which can be used to help one identify specific strengths and weaknesses and once identified, spiritual practices will be discussed to help one mature to be healthy spiritually within their personality traits.
- Developing a Rule of Life
 - A Rule of Life can be a great tool in helping one be intentional about their spiritual growth, and can be personalized to fit your life presently.
